P.O. BOX 15 FLORISSANT, MO. 63032

Harold-

My experience with Pioneer leaves very much to be desired. For the less amount of money and because of the above I would go with the Akai. Very little interest in S.t.L. in R. to Reel. Believe it or not-an Akai 4'2 have to get at a discount store also!! Keep in touch-let us know if I can find anything else out.
